## PART TWO: STUDENT QUESTIONNAIRE

To introduce us to your experience with photography and goals for the future, please answer the following questions on a **separate sheet of paper (typewritten, please)**. As this is our only opportunity to get to know you as a prospective student beyond your portfolio and letter of recommendation, your thorough and thoughtful attention is essential.

1. Why do you want to be in the Teen Academy Imagemakers program? Based on what you know about this program, what personal characteristics and qualities would make you a successful Imagemaker?
2. What subject matter and themes have you explored thus far through your photography? Why do they interest you, and what do you want to say through your photographs?
3. Please explain your technical experience with photography (camera use, darkroom experience, lighting, etc.). List all classes (by title and term) that you have taken and the skills gained in each course.
4. What other interests do you have and pursue (academics, sports, arts, hobbies, etc.)?
5. As of now, what are your higher education and career goals? How do they include photography?
6. As this is our most advanced program, the curriculum is rigorous and expects a significant amount of time both inside and outside of class. Teen Academy Imagemakers are given full access to ICP facilities and most assignments are to be completed outside of class. Weekly classes begin at 4 PM, and there are many additional workshops and field trips throughout the year. Consistent attendance is required. Considering this structure, are you able to commit to these expectations? If so, please explain how the Imagemakers program fits into your overall schedule.
7. Tell us something about yourself that you are proud of and why.

## PART THREE: PORTFOLIO

Applicants are required to submit a photographic portfolio\* including the following:

- 10–15 black-and-white prints, created by the applicant in the darkroom, representing his/her strongest work.
  - All images submitted should be no larger than 11x14 inches.
  - The back of each print should be clearly labeled with the applicant's name, email, and phone number.

Please take into consideration the sequencing, presentation, and content of your images. If you would like to include a checklist for titles and/or descriptions for the work, please feel free to do so. Inclusion of photographic content outside of black-and-white darkroom prints is encouraged, but not required.

*\*ICP assumes no responsibility for lost or damaged student work.*

## PART FOUR: ATTENDANCE AGREEMENT

If accepted, I, \_\_\_\_\_ (print student name), agree to attend all classes and related events according to the curriculum. If I am unable to attend the class, I will contact the Instructor in advance. The ICP Teen Academy Igemakers program requires students to attend class every Monday or Wednesday from 4–6:30 PM at ICP from September 24, 2016 to June 21, 2017 (excluding scheduled holidays).

Additional workshops and field trips occur outside of class and will be announced at the beginning of each term. Attendance is mandatory. Absences must be documented or otherwise explained. Several significant absences will result in dismissal from the program. Punctuality is critical and tardiness beyond 15 minutes (unless documented or otherwise explained) will be considered an absence.
